MUNICIPAL COMMERCIAL VEHICLE LICENCE PROGRAM - GET YOUR 2010 DECALS

Any vehicle using municipal roads and operating for commercial purposes in the District of Sechelt must annually purchase and display a commercial vehicle licence plate decal. Decals for the 2010 calendar year can now be obtained at the District office for \$25 to \$40 (depending on gross vehicle weight (GVW)). Bring your vehicle registration forms with you when you apply.

The Municipal Commercial Vehicle Licensing legislation is in the Local Government Act and the fees are set by the Province. For more information, see the Finance Department [webpage](#) or contact the District's Finance or Bylaw Departments.
