

Trail Avenue Road and Infrastructure Improvements

Effective October 13, 2009 work will start on Trail Avenue between The Bluff and Turnstone Crescent to widen 150 metres length of road and make curbs, gutters, sidewalks, boulevards, a bicycle lane and storm sewer improvements. Construction is expected to be completed by November 26, 2009, weather permitting.

The District appreciates the cooperation of the public when traveling through this area and apologizes for any inconvenience. If you have concerns, please contact the site inspector, Benoit Vaudreuil of ISL Engineering and Land Services, at 604-815-4646 or the District of Sechelt's Engineering Department at 604-885-1986.
